

Help Us Become More Eco-Friendly!

Are you currently receiving our promotional flyers and invoices in the mail?
Would you like to receive future PDQ information, UPS tracking and/or
invoice information via e-mail?

Sign up for Q-mail and ZETADOCS today!
It's quicker, easier and it's green!

In an effort to do our part for the environment, PDQ will be working towards cutting back on the amount of paper and printing we use by communicating more via e-mail. In cases where printing is necessary, we will be using recycled paper products whenever possible.

If you have an e-mail address and would be interested in receiving future promotional information (*Q-Mail*), UPS tracking information, and/or invoices (*Zetadocs*) from PDQ via e-mail, let us know. Take a minute to provide us with your desired e-mail addresses below, check the appropriate boxes and fax it back to us. We will then add you to our Q-mail and/or Zetadocs list all in an effort to start becoming more Eco-Friendly. **(You may request as many contacts as you desire to receive our promotions; however, you may only request one (1) contact to receive the UPS tracking information, and the invoices/Zetadocs).**

We will keep all of this information confidential and use it only for the promotion or updating of products sold and represented by PDQ Supply, Inc.

Thank you in advance for working with us in this endeavor.
